22" MINI POD

MINI POD BOX

Pack and go: dispense, vaccinate, assemble, strategize and command — right from your vehicle. Sized for easy transport, this smaller portable emergency station is operational from the back of an SUV or off an ATV. Same rugged construction as the original POD BOX, this unit features an extendable handle and edge casters.

BUILT FOR EMERGENCY RESPONDERS BY EMERGENCY RESPONDERS.

FEATURES:

Plastic composite sides and top for light weight, with heavy duty strength

Mounted flip down storage compartment with 23 total pockets

Easy clean work surfaces, both top and drop down front panel

HD edge casters

HD hand holds, pulls, telescoping handle and places for tie-downs; POD BOX goes where you go

HD low nap carpet interior with removable top drawer padded dividers for customizable configuration

14,960" c ft. of space

Hasps locks for security and safety
