EXPRESS PLUS

CUSTOM IN THE BEST LITTLE "BUS" IN THE BUSINESS

The Express Plus is a fully customizable Type I 150 inch module with 72 inches of head room. This module provides both private and municipal customers with an ambulance that fits their exact needs and wants. This unit is built on multiple chassis platforms allowing the flexibility to utilize either a Ford F-series or a Ram chassis. The Express Plus shares the same quality as the rest of the units in our product line up, while maintaining the highest quality in the industry.

The Express Plus allows customers to select the options and features that are most important to them. Standard features on the Express Plus include Braun's all aluminum welded interior cabinets with rounded corners, high performance heat / ac system, extensive interior and exterior storage, and spray foam insulation.

Featuring the advanced manufacturing and product innovation that Braun has become known for, the Express Plus includes SolidBody ™ Construction, EZ Glide™ sliding door, Eberhard Free Floating Latches and the MasterTech™ Multiplex electrical system. The Express Plus is designed to adapt to every department while offering a wide variety of option packages to meet today's budgets and tomorrow's demands.
