

Trauma O₂™ Bags

You carry a lot on your shoulders, and you need to be prepared with the right equipment to address any situation. Ferno **Trauma O₂™ Bags** provide multiple configurations and easy customization, helping you organize your trauma and O₂ supplies the way you want to. Every bag is built for years of dependable use under all conditions and is backed by a limited lifetime warranty.

- **INVISTA™ Cordura® construction, YKK® zippers, and dual-density Plastazote® structural foam** ensure long life and dependable performance
- **Concealed non-slip shoulder straps** keep the bag on your shoulder
- **Reflective labels** provide nighttime visibility
- **Replaceable bottom** protects the bag and its contents from wet ground

Removable stiffeners and inserts allow custom configurations

Trauma O₂ Bags
