

The CERT Incident Command Vest KitTM

by DMS

DMS-05313

Introducing the **CERT (Community Emergency Response Team) Incident Command Vest KitTM**.

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number. Through training citizen volunteers have acquired a working knowledge of utilities management, fire suppression, and search and rescue. In the future the

role of CERT in response planning will be greatly expanded. The Disaster Management Systems, Incident Command Vest set designed for CERT teams, will help organize this valuable resource. The vest set mirrors the Incident Command System as set forth in the National Incident Management System (NIMS).

The CERT Incident Command Vest Kit includes:

8 - Position Vests

- CERT Command
- CERT PIO
- CERT Safety Officer
- CERT Liaison
- CERT Operations
- CERT Logistics
- CERT Planning
- CERT Finance

Responsibility Cards for Each Position
