TITAN™ PC SERIES

Taylor TITAN Series

Taylor Healthcare Products, Inc. continues as the industry leader in quality, innovation and customer service!

Our new TitanPC™, TitanPCX™ and TitanChair™ are beneficial additions to our Titan™ line of soft stretchers to aid in patient rescues and transfers when EMS professionals need compact and lightweight transport units to traverse confined spaces.

- Limited Use Soft Stretchers
- Strong, compact, lightweight and cost effective
- Each unit is easy to store, durable and fluid impervious*
- Vital to have on the scene when space limitations prohibit use of standard EMS stretchers
- **TitanPC™** and **TitanPCX™** each have 14 handles to ensure easy lifting while transporting a patient. Both designed to securely lift 1,500 lbs.
- The **TitanPCX™** accommodates 16"-18" backboards**
- The **TitanChair™** has 8 handles allowing responders the agility to transport patients from confined spaces or navigate stairways. The **TitanChair™** is designed to securely carry 375 lbs.
