

V.E.R.S.A. PRO X

INFECTION CONTROL COMPLETE

Versatile Emergency Response System Assist

M8127TB

M4L Ballistic Armored PROTECTION

* Refer to Specs Below

The V.E.R.S.A.™ PRO X is the most versatile emergency response pack ever created with **COMPLETE INFECTION CONTROL**. Constructed internally and externally from non-absorbing wipe-clean materials, the V.E.R.S.A.™ PRO X is specifically designed to easily clean and remove blood borne pathogens while offering a completely customizable backpack capable of securing internal or external full size or mini modules, is MOLLE compatible, has adjustable internal dividers, can carry an M9 oxygen cylinder, and can include M4L Ballistic Armored Protection. The V.E.R.S.A.™ PRO X delivers a highly versatile, organized solution for your equipment so you can respond faster and safer.
